The Edmund Burke Foundation is a new public affairs institute founded in January 2019 with the aim of strengthening the principles of national conservatism in democratic countries around the world. The Foundation will pursue research, educational, and publishing ventures directed toward this end. The National Conservatism Conference in Washington DC on July 14-16, 2019 is our kickoff event.

For information about future events and activities, please visit us at burke.foundation and sign up to join our mailing list.
